

Christoph Heuermann

Christoph Heuermann, serial entrepreneur and founder of denationalize.me, is a passionate perpetual traveler who has traveled to every country in the world. His company is dedicated to helping individuals achieve tax-free living and apply flag theory to their lives. The [flag theory](#) is based on one simple, logical motto, “Go where they treat you best.”

[Christoph](#) is also the author of several books aimed at helping people shape their international lifestyle and provide extensive information for both beginners and experienced travelers in the field of global lifestyle:

- [*Banking Encyclopedia – Get Safely Through any Crisis with Offshore Banking*](#)
- [*Citizenship Encyclopedia – The 97 Most Attractive Passports*](#)
- [*Company Encyclopedia – Stress-Free Company Setups in 60 Countries*](#)
- [*Emigration Encyclopedia – Emigrate to 50 \(tax\)-free Nations*](#)
- [*Introduction to Tax Optimisation*](#)
- [*Break Your Chains – Citizen of the World*](#)

Christoph is considered THE expert when it comes to topics such as emigration, asset protection, citizenship, foreign residence, and banking. With his advice, seminars, video courses, and social media content, he has been able to help many people develop clever strategies to achieve more freedom and wealth. He has a substantial social media presence with over [40k followers](#) on Instagram.

On the podcast, Christoph would love to talk about:

- Living tax-free: Learn practical strategies to legally minimize taxes and optimize your financial structure in a global context.

- Emigration strategies: Explore effective approaches to relocating internationally, including legal considerations and practical tips.
- Global banking and corporate setups: Discover how to establish offshore banking and corporate structures to protect assets and enhance financial privacy.
- Crypto: Meaning of cryptocurrencies, more specifically, independence, autonomy, privacy, and control over your life.
- Anarcho-capitalism: Delve into the principles of anarcho-capitalism and its application in today's socio-economic environment.
- Flag theory: Understand the concept of flag theory.

Christoph has also been featured on more than 50+ podcasts. To get a sense of him, check out his interview on [The Max Tornow Podcast](#), where he shares more about his 40 streams of income, some amazing stories such as surviving a kidnapping in Sudan, sailing from Croatia to Brazil, and profound lessons he learned on this journey called life.
